Important notice

OnePath Life is the insurer in respect of a group insurance arrangement. This form is to be completed by an authorised officer of an employer, or the Trustee of a superannuation fund requesting OnePath Life to issue a Group Life Policy. The Proposal Form should only be completed after reading the current Product Disclosure Statement for OnePath Life's Group Life Insurance, which contains a summary of the important information about Group Life Insurance. The completion of this form serves as an acceptance of the terms and conditions quoted by OnePath Life, as outlined in the Group Life Insurance Product Disclosure Statement and Quotation Summary.

Your duty of disclosure

Before you enter into a life insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you extend, vary or reinstate the contract.

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If an eligible person or insured member does not tell us everything he or she should have, this may be treated as a failure by you to tell us something that you must tell us.

If you do not tell us something

In exercising the following rights, we may consider whether different types of cover can constitute separate contracts of life insurance. If they do, we may apply the following rights separately to each type of cover.

If you do not tell us anything you are required to, and we would not have insured you or entered into the same contract with you if you had told us, we may avoid the contract within 3 years of entering into it.

If we choose not to avoid the contract, we may, at any time, reduce the amount you have been insured for. This would be worked out using a formula that takes into account the premium that would have been payable if you had told us everything you should have. However, if the contract provides cover on death, we may only exercise this right within 3 years of entering into the contract.

If we choose not to avoid the contract or reduce the amount you have been insured for, we may, at any time vary the contract in a way that places us in the same position we would have been in if you had told us everything you should have. However, this right does not apply if the contract provides cover on death.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.
